

Theme of the Day

How do we know God? How do we understand and see the world we live in? How do we grasp where we came from and why we are here? How do we know where this story is ultimately heading? The key question this week is “How do I know God and His will for my life?” The answer to this question and the others is profound ... God reveals Himself and His grand plan to us in the Bible. Whatever God promises in His Word will come to pass and accomplish His purposes. Our role is to listen and believe.

Key Idea: I believe the Bible is the Word of God and has the right to command my belief and action.
