

Theme of the Day

The most powerful way to share our faith in God is through our life—being a positive example to all in how we live every day. When others see the faith, hope and love in our life, they are drawn to live the same way. After paying attention over time, they will notice our confidence in and relationship with the one true God. The God of all the world wants us to reflect His will in our life. In His famous Sermon on the Mount, Jesus used the metaphor of “salt and light” to express the power of a life lived in faith and obedience to God. And when they ask, you'll have all kinds of great stuff to share.
