May 28, 2017

## Theme of the Day

We human beings have been created for oneness with God the Holy Trinity and with all of life. Our sinful turning away has corrupted our nature and led us into overwhelming fear and shame. Yet, God in His mercy has given His Son to live and die and rise for us having done everything necessary to bring us back to our Father's loving embrace. Now, where death once reigned, eternal life has broken in, and this is what that means: People come into a relationship with the only true God through faith in Jesus Christ, whom He has sent. To enter this relationship of love is to enter into oneness—no more separation—and life eternal begins now!
