

ZION LWML BROWN BAG JOINT MEETING
September 17, 2016

Our meeting together was from 9:00-3:00. Three project stations were set up - mementoes for Streets of Bethlehem, bracelets and fleece blankets. There were 29 in attendance.

At 11:30 we broke for a short meeting. Mary opened with the devotion, "Thanking", Ephesians 5:20. The board minutes were reviewed. LWML Sunday is October 2. There was sign-up for ushers and greeters.

Secret Sister was revealed. Sign-up for Secret Sister will be at the Christmas Luncheon. This will run from January to December, 2017.

A grant was received from Thrivent for the Soup and Pie. There was sign-up for workers. A book sale will be held with a magazine give-away. The theme will be "Thank You". The different projects that we support, such as St. Francis House, Lunch is Served, Lutheran Bible Translators, Bishop Dudley Hospitality House, Furniture Mission, will be on display.

Mary led the common table prayer. We had our brown bag lunch, sampled and voted on three soups: minestrone, 7-can soup, and vegetable beef. The 7-can soup received the most votes. It will be served as the gluten free soup at the Soup and Pie. Also to be served will be chili, chicken noodle and bean and ham soups. Workers at the Soup and Pie do NOT have to pay for their supper.

We then returned to the project stations and worked on the various projects.

Respectfully submitted,
Jerilyn Harris
