Secretary's Report

Treasurer's Report was reviewed. Marsha made a motion to approve and it was seconded by Jody. All were in favor and it was approved.

Old Business

Evaluation of DAYZ of Doing. Positive reviews were given. Lots of projects were available to work on. 200 ornaments were completed for Streets of Bethlehem. 24 tie fleece blankets were made. A variety of new and recycled cards were made. Mugs were decorated and baked. Individual projects were also worked on.

Anniversary Open House was reviewed. We received a nice donation from the TeSlaa family. There was discussion about whether or not we will continue to do events like this in the future. We agreed that we will help serve events but will not prepare food in the future. Discussion was had about suggested donations based on the time of events and number of workers required at the events. Renee made a motion to table the decision until next month and Jody seconded the motion. It was approved that we table the discussion and work on suggested donation amounts for next month's meeting.

The budget will be reviewed at the September Board Meeting to determine if we will proceed with the Soup and Pie Supper, a different fundraising opportunity or skip additional fundraising until next year.
