

SUNDAY BULLETIN

May 19, 2019

Theme of the Day

The power of Easter lies not just in the life it offers us, but also in the way we are recruited to be life-bringers. This week, the role of love in leading us to life ... and enabling us to bring life to others ... stands out in the Lectionary. Love is never easy, it is always messy, unpredictable and scandalously inclusive. But, if we seek to follow Christ, we cannot avoid the privilege and the responsibility we have to be people of love. May your worship lead into this love of Christ, and into His life, a little more this week.
